

Change Notice

KB Series

Change of Finish on KB Series Mounting Nut

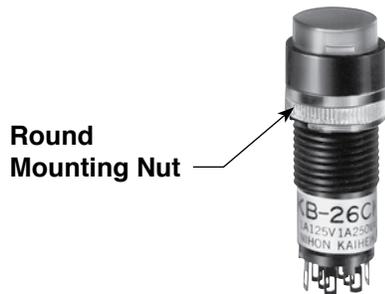

Type of Change:

- Engineering
- Part Number
- Product
- Appearance

KB Series bushing mount switches and indicators will have a change to the knurled nut surface finish. This change will affect the square, round and rectangular devices. The surface finish change will not affect dimensions; the tone of the color will be slightly different as a result of the change.

Mounting Nut on All Shapes of KB Bushing Mount

- Square
- Round
- Rectangular

Mounting Nut	
Before Change	After Change
Nickel Plating	Zinc Plating with Chromate Finish

Availability

Change to the finish of the KB Series Mounting Nut will begin with April 2010 production.
