## Discontinuation of IS Series Controller Boards

Type of Change:

- ☒ Engineering    ☐ Part Number  
☐ Product        ☐ Appearance

IS-C1603 is an IS Series Controller Board that will be discontinued (above). IS-C3201 is an alternate Controller Board for IS-C1602 and IS-C1603.

Three of the IS Series Controller Boards will be discontinued. The discontinued boards do not have direct replacements, but there are recommended alternate controller boards. See table for effected parts and descriptions.
