

# Change Notice

# A Indicators, AS Series

## Changes to Production & Location for A Series Indicators & AS Slides

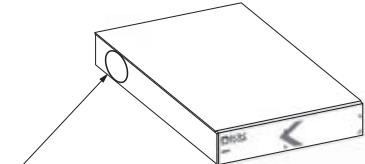

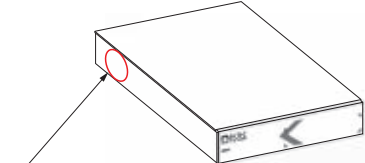

Type of Change:

- Engineering     Part Number  
 Product         Appearance

I. There will be several changes for the A Indicators and the AS Slide switches. "Japan" will no longer be displayed on the switch cases, the older logo will be replaced with the updated NKK logo, the lot number on the switch cases will have a dot mark above the second digit, and the box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." All of these revisions will apply to standard and custom products. Effected standard part numbers for A Indicators are below and AS Slides are on page 2.

Changes for A Indicators & AS Slides

	Switch Case	Identification	Lot Number	Shipping Box
<b>Before Changes</b>	"JAPAN" on Switch Case	Older NKK Logo 	Example of Lot Number  84	 "JAPAN FACTORY" printed on side of box
<b>After Changes</b>	"JAPAN" on Switch Case Removed	NKK Logo Updated 	Example of Lot Number with Dot Mark Above Second Digit  8 <sup>•</sup> 4	 "PHILIPPINES FACTORY" printed on side of box

### Notes

There are no changes to the switches' dimensions or specifications.  
The location of the lot number on switch case may vary depending on the part number.  
Contact the factory if more details are needed.

## Identification Plate Change for A Series Indicators & AS Slides

Type of Change:

- Engineering     Part Number  
 Product         Appearance

2. The A Indicators and the AS Slide switches will have an update to the method of display for part numbers on the switch body. Previously, they were displayed on identification plates, which will be changed to laser application. The revision applies to standard and custom products. Effected standard part numbers for A Indicators are on page 1, and AS Slides are displayed below.

Before Change	Identification	After Change
Part Number Displayed on Identification Plate		Part Number Displayed by <b>Laser Marking</b>

### Notes

There are no changes to the switches' dimensions or specifications.  
 The location of the part number on switch case may vary by part number.  
 Contact the factory if more details are needed.
