

## Change to Brand Mark on Switches & Packaging

Type of Change:

- Engineering     Part Number  
 Product         Appearance

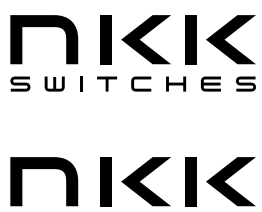

Sample Product Images with New Brand Marks

In April 2009, NKK Switches introduced a new global brand logo.

Starting with the April 2010 production, NKK will begin the transition of marking products and packaging with the new brand logo.

### This change will affect the following products:

All NKK products, including custom products

Change of Brand Mark	
Before Change	After Change
	

### Effective Change Period

Change will be effective starting with April 2010 production. Timing for different products will vary.
