## SW Series

### Deletion of Factory Code on SW3006A/U Case

Type of Change:

- Engineering     Part Number  
 Product         Appearance

The SW Series rocker SW3006A/U will have a change to the printing on the case. Currently, the switch case has a UL marking and a factory code of 011. This will be revised to the same UL marking but without the numeric code. This change will effect both standard and custom models of SW3006A/U. The following table illustrates the differences before and after the revisions.

#### Notes

This change will effect only SW3006A/U in the SW Series Rockers.

There will be no change to the country of origin (where switches are manufactured).

Contact factory if more details are needed.

#### Effective Date

Changes to SW3006A/U will be effective November 2015.
